Class Participation

Even though this is an online class, you are expected to “attend” our virtual sessions each week. If you miss work in this class or cannot submit course requirements (module assignments) in a timely manner this will affect your grade. If you know ahead of time that you are going to miss an assignment (other than optional module assignments), please let me know. Please note: merely contacting me about a missed assignment does not constitute an excused absence. Excused absences are determined on a case by case basis, and students will receive an email confirmation of the absence is excused. Excused absences will only be granted for medical absences documented through a physician or absences with documentation that clearly demonstrate that you were unable to participate in the class for the majority of the week assignments were due. All work missed due to an excused absence must be made up.
